

Mastercart™ SERIES

**Made
for life in
motion**

For semi-automated Type B American grips, Type C European grips and Type G fully automated collection.

IDEAL FOR

- Waste, Recycling & Organic collection
- Residential, Commercial, Industrial and Institutional environments

Perfect use by function.

Our wide range of tough and durable carts will support all your requirements for organic, waste and recycling collection.

KEY FEATURES

- IPL's injection process uses high density polyethylene (HDPE) that yields precise design and consistent thicknesses;
- UV stabilized against long-term effects of the sun;
- 100% recyclable;
- Unibody design requires no bolts or holes that could potentially leak;
- Designed for maximum wind stability.

STANDARD COLOURS:

Green 363	Bleu 285	Grey 447
Brown 462	Black 099	

Other colours available upon request. Colours shown may vary slightly from actual product.

Mastercart™ SERIES

CERTIFICATIONS

When you choose IPL, you work with a recognized industry leader. IPL was the first plastic injection company to achieve ISO 9001 quality certification in North America. The addition of ISO/TS16949 certification further demonstrates IPL's commitment to quality. These quality initiatives demonstrate our capabilities and know-how.
